IIT Delhi Inaugurates Second Batch of STEM Mentorship Programme for High School Girls

IIT Delhi inaugurated the second batch of the STEM Mentorship Programme for High School Girls and celebrated the International Day for Women and Girls in Science. The Initiative for Gender Equity and Sensitisation (IGES, Office of Diversity and Inclusion) and the Office of Academic Outreach and New Initiatives (ONI) at IIT Delhi jointly organised the event.

The second batch of the STEM Mentorship Programme will consist of two phases. During the first phase, the 32 selected participants will learn from online lectures and demonstrations by faculty and students of IIT Delhi on diverse STEM topics, to be held over the weekends in March and April.

In the second phase, to be held in May, the participants will visit IIT Delhi for a week to visit different labs in the institute to get first-hand exposure to cutting-edge research conducted at IIT Delhi.

IIT Delhi Scientists Design Time Capsule for the Department of Posts

The Department of Posts, Union Ministry of Communications, in collaboration with the Union Ministry of Culture, Government of India, planned a "Time Capsule: Share Your Vision of India @2047" concept.

Prof. Vikrant Karra and Prof. Jayant Jain from the Department of Materials Science and Engineering at IIT Delhi assisted the Department of Posts with designing, analysing, and fabricating the state-of-the-art time capsule.

Institute Lecture by Mr Achim Steiner, Administrator of the United Nations Development Programme (UNDP) and Vice-Chair of the UN Sustainable Development Group

On the occasion of National Science Day, the Indian Institute of Technology organised an Institute Lecture. The lecture was delivered by Mr Achim Steiner, Administrator of the United Nations Development Programme (UNDP) and Vice-Chair of the UN Sustainable Development Group.

Mr. Ananth Krishnan commits Rs 2 Cr. to the Yardi School of Artificial Intelligence

Mr Ananth Krishnan committed to donating Rs 2 Crores to the Yardi School of Artificial Intelligence by establishing a Chair in the name of "Shanthy and K Ananth Krishnan Young faculty Chair Professor in Artificial Intelligence" and a fellowship in the name of "Mrs. Vijayalakshmi Mr. TKA Iyer fellowship."

Mr. Krishnan is an alumnus of IIT Delhi. He received his Master of Science Degree in Physics from IIT Delhi in 1985 and his Master of Technology Degree in Computer Science also from IIT Delhi in 1988. He is the Executive Vice President & Chief Technology Officer at TCS.

Batch of 1968 Endowed the Preeti Monteiro Scholarship

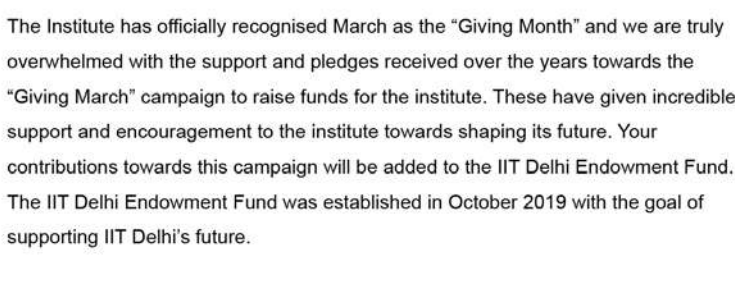

The batch of 1968 has endowed the Preeti Monteiro Scholarship in memory of their batchmate Ms. Preeti Monteiro. Preeti was the first ever woman Electrical Engineering graduate of IIT Delhi who also went on to have a distinguished academic career at the Indian Institute of Science Bangalore.

Annual Career Fest, "Pravritti 2023 - Expanding Horizons," being organised by the Office of Career Services

The Office of Career Services at IIT Delhi is organising the institute's annual career fest on the 14th and 15th of April 2023. Through this initiative, the institute aims to assist students in connecting with organisations and industries to gain a perspective on various career avenues.

We are also inviting organisations looking to recruit IIT Delhi graduates to the IIT Delhi campus. If you are interested, you can fill out the form here - <https://forms.gle/DY1Zi8QIDRjid1439>

GIVING MARCH 2023

It's March yet again! It's time to commit to a brighter future for IIT Delhi.

The Institute has officially recognised March as the "Giving Month" and we are truly overwhelmed with the support and pledges received over the years towards the "Giving March" campaign to raise funds for the institute. These have given incredible support and encouragement to the institute towards shaping its future. Your contributions towards this campaign will be added to the IIT Delhi Endowment Fund. The IIT Delhi Endowment Fund was established in October 2019 with the goal of supporting IIT Delhi's future.

For Indian Donors, the 100% of the donated amount of donation to IIT Delhi can be deducted from their taxable income for FY 2022-23. Please visit the [Campaign Page](#) for more details.

To donate, visit - <https://endowment.iitd.ac.in/giving-march>
